

IOANNIS MISSAS

PROFESSIONAL BASKETBALL COACH & SCOUTING EXPERT

Location: Karditsa, Greece **Phone:** +30 697 848 3425 **Email:** ioannis.missas425@gmail.com **LinkedIn:** IOANNIS MISSAS

PROFESSIONAL PROFILE

High-caliber professional basketball coach with 8 years of premier-level tactical experience in the Greek Basketball League (GBL) and European continental tournaments. Specialized expert in advanced opponent scouting, modern basketball video analytics (offensive, defensive, individual player breakdowns, and post-game film study), and player recruitment. Highly recognized for maximizing roster potential and delivering top-tier team success under highly disciplined budget limitations.

COACHING & SCOUTING EXPERIENCE

Assistant Coach & Lead Scouting Coordinator

2018 – 2020 / 2022 – 2026

A.S. Karditsas (Greek Basketball League - GBL)

- **Basketball Champions League (2025–2026):** Successfully qualified for the prestigious **Top 16** phase while operating with the absolute lowest operational budget in the entire competition.
- **GBL Campaign (2024–2025):** Secured an historic **5th place finish** in the Greek top tier, achieving optimal court results with the league's minimum financial budget.
- Headed international talent acquisition and roster assembly within highly restricted salary structures.
- Directed complete video analysis systems, translating complex team data into actionable tactical pre-game adjustments and individual development plans.

Assistant Coach & Tactical Analyst

2020 – 2022

Larissa BC (Greek Basketball League - GBL)

- Coordinated defensive schemes and opponent game-planning that powered the squad to a remarkable **4th place finish** in the GBL.
- Optimized team chemistry, player rotations, and tactical performance objectives within a very low-budget framework.
- Delivered exhaustive, analytically-backed pre-game scouting reports and data tracking for coaching staff and players.

RECRUITMENT EXPERTISE & MARKET KNOWLEDGE

- **Elite Player Database:** Maintain, update, and manage an extensive, proprietary scouting archive containing over **2,000 player profiles**, tracking US College (NCAA) prospects and comprehensive international talent across all relevant age groups.
- **Value Identification:** Proven track record of evaluating and signing low-salary, high-upside international players who exponentially increased their market value and contract salaries in subsequent seasons.

CORE COMPETENCIES & TECHNICAL TOOLS

Tactical Scouting: Expert opponent breakdown, playbook tracking & personnel analytics.

Video Analytics: Film study across offensive, defensive, individual, and post-game metrics.

Leadership & Management: Human resource leadership, conflict resolution, and long-term goal planning.

Synergy Sports: Professional mastery of video logging, scouting platforms, and data retrieval.

Office Software: Advanced utilization of MS Office Suite (Excel, Word, PowerPoint) for reporting.

Player Development: High-level on-court training, skill optimization, and position-specific drills.
